SEMI-FINALS SCORING

We will post the winners of each location's finale as soon as possible after the competition, since each night could potentially affect the roster for the next night. If agreed by the KJ, the location, and the other competitors, substitutions may be allowed.

For example, Steve Nickell qualified at several different locations prior to the beginning of the Finale week. He entered and won Monday night's Finale at Schweitzer's Pit Stop. Since he won, he can't compete again until the Chevy Showdown on September 24th at the Kern County Fair Grounds.

Jason Richards, who had placed 2nd on the night that Steve Nickell won at La Corusse Rouge, asked if he could substitute. KJ Anthony Helmick, Sing It Like You Mean It, and the bar owners agreed to allow the substitution. **Any substitutions must be approved by all parties at the beginning of check in at 8:30 p.m.,** so if you are interested, please have your warm up song, performance song, date of your 2nd place win (for verification) and the name of the person you wish to substitute. Approval is at the discretion of the KJ and the establishment, and their decision is final.

Questions? Call Kyle or LeeAnn 633-1949.
